

## *New lacquer technology*

Based on advanced technology and new chemical formulations, the **CLEANGARD**<sup>®</sup> lacquer is the result of long cooperation between Dickson's research laboratory and its customers.

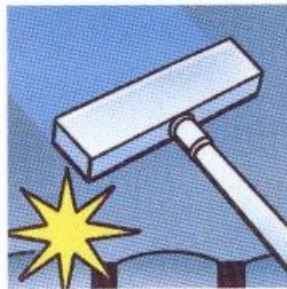

F I N I T I O N  
**CLEANGARD**<sup>®</sup>

Smoother surface,  
less prone  
to soiling.

F I N I T I O N  
**CLEANGARD**<sup>®</sup>

Longer life due  
to a tough and  
glossy finish.

F I N I T I O N  
**CLEANGARD**<sup>®</sup>

Easier to clean  
due to less soiling.  
Withstands  
frequent cleaning.

F I N I T I O N  
**CLEANGARD**<sup>®</sup>

All-weather  
resistant  
and excellent  
weldability.

## *An undeniable advantage*

Widths up to 3 metres for minimum welding :

- Absence of weld creasing.
- Easy maintenance.
- Weld-free decoration.
- Enhanced appearance.
