

Protect Your Printer!

440 ml Cartridge Support Shelf for Roland PRO II & VersaCAMM Printers

Protect your printer and ink cartridges from accidents. All it takes is one slip to break an ink cartridge and create a mess or even *damage your printer!*

- Easy to install - uses existing screws
- Heavyweight steel construction
- Black finish matches printers
- Rear lip provides support for the 440 ml cartridges
- Does not cover cartridge slot labels

Designed for  **Roland**
